

CRF Annual Grants 2027

Stage 2 - Full Grant Application

Clean working document version

Use this as a cleaner offline drafting template. It simplifies the online form layout while keeping the same core fields and prompts from the PDF preview.

Section 1 - Project Details

Project title as per EOI *(copy/paste from Expression of Interest)*

--

Overview *(50 words; write for a general audience)*

Impact statement *50 words; describe the potential impact on children's health, education or welfare*

Aims *(300 words; expand on the EOI answer)*

Optional attachment - supporting tables, graphs or images for Aims *(PDF if applicable)*

--

Hypothesis or Research Question *(200 words; write for a general audience, avoid jargon and acronyms)*

Optional attachment - supporting tables, graphs or images for Related Research *(PDF if applicable)*

--

References *(use consistent referencing; no word limit)*

Ethics requirements

- Research on human subjects
- Research using animals
- Recombinant DNA
- Gene technology
- None of the above

Section 2 - Research Team

Chief Investigator *(Title, First name, Surname)*

--

Early Career Researcher (ECR) status

- Yes - applying for ECR grant Yes - applying for full grant No

Upload your CV *(PDF attachment)*

--

Time commitment on the project for the Chief Investigator (CI)

--

Will the CI be overseas / on leave for a significant period during the grant period?

- Yes No

If yes, state length and dates of absence

Associate Investigators (AIs)

List up to 10 Associate Investigators. Add extra rows if needed.

Name (Title, First name, Surname)	Email	Position / Institution

Technical and other staff

List technical and other staff involved in the project. If not yet appointed, use TBC.

Role	Title	First name	Surname	Academic qualifications	Institution	Time on project (%)

Publications (attach PDF using the CRF publications template)

Section 3 - Budget

Are basic services and equipment available?

Yes No

Except for any special items requested, are the necessary basic services and equipment available, such as an equipped laboratory, staffed workshop and secretarial assistance?

Provide details of your institution's employment on-cost calculation

Justification of Budget (350 words)

Upload Budget calculation (PDF attachment using the CRF budget template)

--

Budget total (whole dollars only)

AU\$ AUD

Enter the budget total for the project as a whole dollar value, without punctuation (for example: 75000).

Section 4 - Other Funding

Upload 'Other Funding' table (PDF attachment using the CRF other funding template)

--

Section 5 - Nominate Reviewers

CI Nominated Reviewer 1 - Name

--

CI Nominated Reviewer 1 - Email

--

CI Nominated Reviewer 2 - Name

--

CI Nominated Reviewer 2 - Email

--

Nominate two independent reviewers who could be approached by CRF to comment on the proposed project. Do not nominate close collaborators, or researchers with whom you have published in the last 5 years.

Is there anyone you prefer CRF not to contact?

Yes No non-refer preference

If requesting a non-refer preference, clear justification and substantive evidence must be provided.

Non-refer reviewer name

--

Non-refer reviewer email

--

Provide clear justification and substantive evidence for consideration of non-refer request

Minimum of one paragraph for CRF to consider a non-refer request. If preferred, further details may be emailed to crf@crf.org.au.

Section 6 - Submit

Signatures *(attach PDF)*

--

Please note: Submission of this grant application indicates acceptance of the Terms and Conditions of Funding as per the template available on the CRF website.
